

# Keybird

“Almost as practical as a keyboard,  
but with real acoustic sound”

*Dear Piano Lovers,*

How does your perfect piano look like? Please tell us through our survey (takes 3-5 minutes - scan the QR-code or visit our website) and help shape an instrument of the near future.

For further information please visit:  
[www.keybird-instruments.com](http://www.keybird-instruments.com)
